Emergency Contacts/Lockdown Notification for Schools

Thank you for submitting emergency contact information for your school. This information will only be used in the event of an emergency or incident at or in the area of your school. Information will not be shared outside of law enforcement agencies and the fire department.

Please note: You must contact the Casper Public Safety Communications Center with updated or new contact information.

The Casper Public Safety Center is capable of notifying your school of a lockdown situation through our Emergin Notification System. The alert can be sent to multiple sources; cell phone, land line, e-mail, and fax. Please provide the information requested below, providing as many details as possible. Contact information will be kept strictly confidential and only used for notification purposes by law enforcement and/or the fire department.

If you have questions about this form or how information will be stored and used, contact the PSCC at (307) 235-7596.
